

Porsche Consulting, Inc. is hiring Smart Mobility-Leaders

This article reflects the status at the time of its publication. The content may since have become outdated.

02/11/2016 Five years of success for the Atlanta Office.

Porsche Consulting, Inc. is excited to celebrate its 5 year anniversary in the United States. Clients served during this period include leading organizations like Porsche Cars North America, transportation giant Bombardier, Delta Air Lines, aerospace supplier Esterline, as well as numerous other North American companies. Assignments covered include lean transformations, supply chain optimizations, strategic process redesigns in R&D and strategy deployment projects.

Since January 2015, Porsche Consulting, Inc. resides at "One Porsche Drive", the German automaker's landmark North American headquarters in Atlanta, GA. The consultants are just minutes away from Hartsfield-Jackson International Airport. Some clients, like Delta Air Lines, are even next-door neighbors. The company hired Porsche Consulting, Inc. to support the streamlining of its aircraft

maintenance and catering processes.

Growth in the areas of digital tranfsformation consulting

The team is confident of continuing its success story. “The internet of things megatrend creates a host of opportunities for almost any organization,” says Dr. Norman L. Firchau, President and CEO of Porsche Consulting, Inc. “For us it creates an opening for growth in the areas of digital transformation consulting. Porsche Consulting, Inc. will continue to expand its North American Team. "We are looking for exceptional individuals, who live strategic thinking and hands-on implementation. And we have the objective to build a strong smart mobility team," Firchau says.
