Porsche Taycan recipient of 2026 Canadian Electric Car of the Year award

13/02/2026 Latest all-electric four-door sports car selected as top vehicle by the Automobile Journalists Association of Canada.

The Automobile Journalists Association of Canada (AJAC) voted the Porsche Taycan as ⊠Canadian Electric Car of the Year" for 2026.

⊠We are honoured that the Canadian Car of the Year jury recognized the Taycan as an outstanding choice this year," said Trevor Arthur, President & CEO of Porsche Cars Canada, Ltd. ⊠This all-electric sports car offers a winning combination of performance, efficiency, to surprising practicality that have always been hallmarks of the brand."

The first all-electric model from Porsche proposes standard all-wheel drive with power starting from 536 hp for the Taycan 4S to 1,019 hp for the Taycan Turbo GT. Acceleration from 0 to 100 km/h can

be achieved in 3.7 seconds with the optional Launch Control feature on the former and as little as 2.2 seconds on the latter. The Taycan 4S is offered at a starting price of $136,200 for the sedan, and $143,1000 for the Cross Turismo bodystyle.
