Macan 4S

PORSCHE

PORSCHE

Important information

Although this image is intended to reflect your actual vehicle configuration, there may be some variation between this picture and the actual vehicle. Some items shown are European specifications.

PORSCHE

Standard options

Macan 4S

Wheels

- 20-inch Macan S Wheels Set of alloy wheels with Lightweight Aero Design painted in Black (highgloss) with highly polished front surfaces

Front axle: 7.5 J x 20 ET 32 with tyres 235/55 R20

Rear axle: 10 J x 20 ET 49 with tyres 285/45 R20

Tyres

- Summer tyres for 20-inch wheels Summer tyres for 20-inch wheels:
Front axle: 235/55 R20
Rear axle: 285/45 R20

Wheel Accessories

- Wheel Arch Cover in Black
- Anti-theft wheel bolts
Anti-theft protection set comprising four coded wheel bolts (one per wheel) and one adapter. The wheel bolts have a screw head with a specially shaped internal profile and can only be loosened with the supplied adapter
- Wheel centre set with monochrome Porsche Crest
- Tyre Pressure Monitoring System (TPM)
- 20-inch collapsible spare wheel Stows beneath loadspace floor and comes with jack and collapsible wheel chocks. Replaces tyre sealing compound

Seats

- Comfort Seats front (8-way, electric)
Electric adjustment of:
 - seat height
 - fore-aft position
 - seat angle
 - backrest angle

Headrests can be manually adjusted horizontally.

Storage of personalised settings for driver seat and exterior mirror positions.

- 4+1 Seats
 - Split-folding rear bench seat (40 : 20 : 40) and folding centre armrest with cupholder
 - Seat occupancy detection for all rear seats
 - Mechanical remote backrest unlocking
 - Cargo position of the rear seat system (2 backrest positions)
- Seat heating (front)
Three-stage heating with separate controls for front left and right
- ISOFIX fastening system, rear

Equipment Packages

- Equipment "S"

PORSCHE

Exterior design

- Lights, exterior
 - Automatic headlight activation incl. 'Welcome Home' lighting
- Body
 - Fully galvanised, unibody
 - Four doors with integrated side-impact protection
 - Bow door handles
- Sideskirts
- Exterior Mirror Lower Trims including Mirror Base in Black
- Side window trims in Silver
- Door handles painted in exterior colour
- Body shape SUV
- Pedestrian safety

Roof & transport systems

- Panoramic roof system Two-panel glass sunroof for a bright interior and generous visibility to the outside

Front glass panel raised and opened electrically, electrically operated roller blind covering entire glass surface, and remote closing function

Lettering & decals

- Model designation and "electric" logo painted in Silver
- Sideblades in textured Lava Black

PORSCHE

Powertrain & Performance

- Systems
 - Anti-lock brake system (ABS)
 - Vehicle stability system Porsche Stability Management (PSM) with ABS, ASR, ABD, MSR and trailer stability management
 - Porsche Hill Control (PHC)
 - Thermal management
- Porsche Active Aerodynamics (PAA)
- Brakes
- Porsche E-Performance Powertrain with a Permanent Magnet Synchronous Motor on the Front and Rear Axle
- Performance Battery Plus
 - Gross Capacity of 100 kWh* (Net Capacity of up to 95 kWh*)
 - *may vary depending on ageing and battery temperature
- Four-wheel drive
 - Four-wheel drive including electronically controlled Porsche Traction Management (ePTM)
- Power steering plus
 - Power-assisted steering system with ability to reduce steering effort at low speeds, e.g. during manoeuvring and parking
- Adaptive air suspension with levelling system and height adjustment incl. Porsche Active Suspension Management (PASM)
 - Fully load-bearing air-spring struts, a total of five ride-height positions and possibility to lower rear axle to loading level, variable damping system with continuous regulation of damping force to reduce body movements as the situation demands, PASM damper mapping with four manually selectable modes ("Normal", "SPORT", "SPORT PLUS" and "Offroad"). Includes self-levelling function
- Brake system with brake calipers in Red
 - Multi-collision brake
 - Recuperating brake system
 - Brake pad wear monitoring
 - 6-piston aluminium monobloc fixed-calliper brakes at front
 - Floating calipers at rear
 - Cast-iron brake discs
 - Internally vented brake discs with diameter of 375 x 36 mm at front and 350 x 30 mm at rear
- Acoustic Vehicle Alerting System (AVAS)
 - The legally required acoustic vehicle warning system is always active. An emotive vehicle sound that was developed by Porsche engineers to increase road safety.
- Single-Speed automatic transmission

Lights & Vision

- Vision
 - Front wiper system with 2 speeds, intermittent wipe including rain sensor and windscreen washer nozzles
 - Heated rear screen with 'auto off' function
- LED main headlights
 - LED main headlights incl. automatic high beam, dynamic levelling system, four-point LED daytime running lights and LED indicator lights
- LED taillights with 'PORSCHE' lettering
 - LED taillights with three-dimensional lighting graphics and light strip
 - 'PORSCHE' logo in glass look integrated into light strip
- Electric folding exterior mirrors
 - Electrically adjustable, foldable and heatable exterior mirrors aspherical on driver's side including automatic lowering of the front passenger mirror glass to the parking position when reverse gear is selected
- Automatically dimming interior and exterior mirrors

PORSCHE

Interior packages & decors/materials

- Interior Package in Black (high-gloss)
Items in Black (high-gloss):
 - Front and rear door panel trim strips with decorative inlays
- Items in Black (silk-gloss):
 - Dashboard trim with decorative inlay
- In conjunction with the front passenger display the dashboard trim on the front passenger side is omitted
- Accent Package Silvershade Silvershade accent trim in front and rear doors and dashboard

Seatbelts & Seat Design

- Seat belts black
- Head rests
- Reversible seatbelt pretensioner

Steering wheel, gearshift/selector lever

- Multifunction Steering Wheel in Leather with Mode-Switch
 - Mode-Switch for selecting the drive modes: Normal, Sport, Sport Plus* and Offroad
 - Predefined drive modes can be customised with various sporty vehicle settings, such as suspension level (note: setting options are equipment-dependent)
- *Sport Plus mode is only available in conjunction with the optional Sport Chrono Package.
- Steering wheel with manual fore/aft and height adjustment

Interior design

- Lights, interior
Interior lighting concept: glove compartment, reading spot lights for driver and front passenger, reading lights rear left and right, luggage compartment
- Centre armrest
- Fabric roof lining
Roof lining and A- and B-pillar trims in fabric
- Sun visors
Sun visors illuminated using LED technology
- Pedal pads in stainless steel
- Door sill guards in aluminium with model designation
- Fire extinguisher Compact DIN EN 3 powder extinguisher installed under passenger's seat and containing 1 kg of extinguishing agent

PORSCHE

Assistance systems

- ParkAssist (front and rear) including reversing camera
- Lane Keeping Assist
- Cruise control
Once activated, the function maintains the speed set by the driver using the control lever on the steering wheel.
- Warn and brake assist
The Warning and Brake Assist system monitors the environment in front of the vehicle. An impending head-on collision with vehicles, pedestrians or cyclists can be detected within the limits of the system when driving at urban and extra-urban speeds. In this case, the system alerts the driver by means of an audible and visual warning, as well as by a braking jolt where appropriate.
If required, the system can also support driver braking or initiate automatic deceleration to reduce the collision speed or possibly avoid the collision.

In addition, the following functions are also part of the Warning and Brake Assist system:

The distance warning can detect if there is a safety hazard due to driving too close to the vehicle in front and warn the driver via the display in the instrument cluster.

- Intersection Assist
The Intersection Assist monitors the front of the vehicle to see whether vehicles, pedestrians or cyclists are crossing the road and can reduce the consequences of a collision by issuing a warning or automatically braking within the system limits.
- Swerve and Turn Assist Swerve Assist supports the driver's steering intervention in a collision-critical situation, when the driver wants to avoid an obstacle by performing a steering manoeuvre.

When turning, the Turn Assist monitors the traffic in the opposite lane as well as pedestrians and cyclists, and can avoid a collision by warning and braking within the limits of the system.

PORSCHE

Comfort & everyday usability

- Safety
 - Three-point automatic seat belts
 - Rollover detection for activation of curtain airbags and seat belt pretensioners
 - Alarm system with ultrasonic interior surveillance
- Ports
 - Two sockets (12 volt): centre console in front and in luggage compartment
- Storage and luggage compartment
- Porsche Entry

The "Porsche Entry" function enables particularly convenient vehicle access and locking without active key use via ultra-wideband technology (UWB). As soon as you are close to the vehicle, the vehicle recognises your key and unlocks the doors, trunk and tailgate. The vehicle also locks automatically when you leave the vicinity of the vehicle and all doors, trunk and tailgate are closed.

In addition, the trunk can be opened with a swiping gesture and the tailgate opened and closed with a kicking motion of your foot in the sensor area on the right-hand side of the rear bumper. This is particularly practical when you want to load or unload the vehicle after shopping.

- Comfort systems
 - Electric window lifts
 - Remote central locking
- USB-C fast charging
 - 2 USB-C Power Delivery connectivity and fast charging ports in the front storage compartment
 - 2 USB-C Power Delivery fast charging ports in the rear centre console (A suitable charging cable and a fast charging mobile device are required for the fast charging function. The actual charging power taken by the connected device may vary.)
- Porsche Entry
- Advanced Climate Control (4-zone)

Controllable from the front and rear seats. Separate control of temperature, fan speed and air distribution. An active carbon fine dust filter traps particles, pollen and odours and thoroughly filters fine dust out of the outside air before it can reach the interior.
- Air Quality System

Ionizer with particle/pollen sensor (PM2.5) incl. visualization in the center display and PM2.5 automatic air-recirculation. The particle/pollen sensor measures the particulate pollution regarding PM2.5 (particle/pollen with an average size of 2,5µm) in the drawn-in air as well as in the vehicle interior. If a limit value is exceeded the air conditioning switches to air recirculation. The multiple flow through the fine dust filter in recirculation mode effectively reduces the fine dust.

PORSCHE

Comfort & everyday usability

- Ambient and communication lighting
Ambient lighting with seven selectable colored light designs in the following components:
 - rising center console
 - front and rear door panels
 - storage compartment of the doors
 - in the front footwell
 - front cup holders

Communication light to reinforce notices, warnings and support status information.

56 LEDs in the instrument and the door panels give the driver functional feedback in the peripheral vision so that he can react even faster.

The following functions are shown, among others:

- welcome/leaving
- Launch Control
- charge status
- Voice Pilot
- exit warning
- drive mode change
- navigation
- ambient light extension
- takeover request
- alarm
- Electric roll-up sunblind for rear side windows
Electrically extendable protection against direct sunlight on the rear door side windows, which can be operated via the window regulator on the respective rear side as well as the driver's seat.
- Alarm system with interior surveillance
Alarm system with interior surveillance, immobiliser and remote central locking
- Non-smoking package
- Alcohol Interlock preparation
- Side airbags and center airbag in the front
- Airbags - Full-size airbags for driver and front passenger
 - Curtain airbags along entire roof frame and side glazing from the A-pillar to the C-pillar
 - Front passenger airbag deactivation function for mounting child seat on front seat

Infotainment

- Cluster Instrument
- Smartphone compartment with wireless charging (up to 15 W)
Smartphone compartment in centre console with wireless charging up to 15 W
- Digital radio
In addition to analogue stations, enables reception of digital radio broadcasts in the DAB+ and DMB Audio formats, offering far superior sound. DAB twin tuner permanently scans for alternative reception frequencies for the current station with simultaneous refreshing of station list

Note: Reception dependent upon local digital station availability.

- Sound Package Plus
Sound Package Plus with 10 speakers and a total output of 150 watts
- Smartphone Integration Apple® CarPlay - to use the apps of your iPhone® even when you're on the move

Android Auto - to use the apps of your Android phone even when you're on the move

PORSCHE

Charging & Range

- Manual Charging Cover
Manually opening charge ports with button for unlocking the charge plug on driver and passenger side
- Heat Pump
The heat pump uses the residual heat of the drivetrain or the ambient heat to efficiently warm up the vehicle interior. With outside temperatures below 20 °Celsius and activated air conditioning, the heat pump helps to save energy and has a positive effect on the range.
- On-Board AC Charger with up to 11 kW charging power

Steering Codes

- Standard interior in Black

Others

- TPM Valve in Black
- First Aid Kit with warning triangle

*Standard specifications in this document refer to the European Base Model and do not include Country Specific equipment. For more information on availability, exact equipment specifications, emissions and homologation standards, please consult your Porsche Centre.
