Conceived by racing great Brian Redman and PCNA's longstanding press spokesperson Bob Carlson in 2001, Rennsport was created to celebrate the racing heritage of Porsche. They envisioned an event at which drivers and enthusiasts could gather to celebrate racing and pay tribute to the people and cars that have helped build the Porsche legacy. Since its inaugural event at Lime Rock Park in Connecticut over 20 years ago, Rennsport has been held every few years and continuously grown in appeal.
