LUISE AND FRED GO ON A SAFARI IN PORSCHE'S NATURAL GREEN SPACE IN LEIPZIG.  
DRAWN BY TOBIAS PAHLKE.

WOW, THAT TOWER LOOKS LIKE A DIAMOND ...

AND THE RACECOURSE IS RIGHT BEHIND IT!

WE HAVE ANOTHER SURPRISE FOR YOU ...

YIPPEE, TODAY WE'RE PICKING UP OUR PANAMERA!

HOW DOES A PORSCHE SAFARI SOUND TO YOU?

WITH LIONS AND ANIMALS LIKE THAT?

WE DON'T HAVE ANY OF THOSE HERE. BUT YOU'LL BE AMAZED BY WHAT YOU SEE!

THE PORSCHE LEIPZIG SITE IS AS BIG AS 180 SOCCER FIELDS. SOLDIERS USED TO TRAIN HERE FOR EMERGENCIES. BUT NOW IT'S HOME TO WILD ANIMALS AND PLANTS. LUISE AND FRED COVER FOUR KILOMETERS ON A SAFARI WITH AN ENVIRONMENTAL EDUCATOR.

IT SURE IS MUDDY HERE!

OUR FROGS AND OTHER AMPHIBIANS LOVE IT THAT WAY. THEY LAY THEIR EGGS IN THE WATER. WHEN THE TADPOLES HATCH, THEY CAN BREATHE UNDERWATER USING GILLS, JUST LIKE FISH. LATER ON, THEY DEVELOP LUNGS LIKE OURS AND CAN LIVE ON LAND.

AND THAT'S WHY THEY CAN CROAK SO LOUD ... CAN WE MOVE ON?

THAT'S BETTER! HERE WE HAVE SOME QUIETER WILD ANIMALS.

I'D LOVE TO BE ABLE TO FLY ...

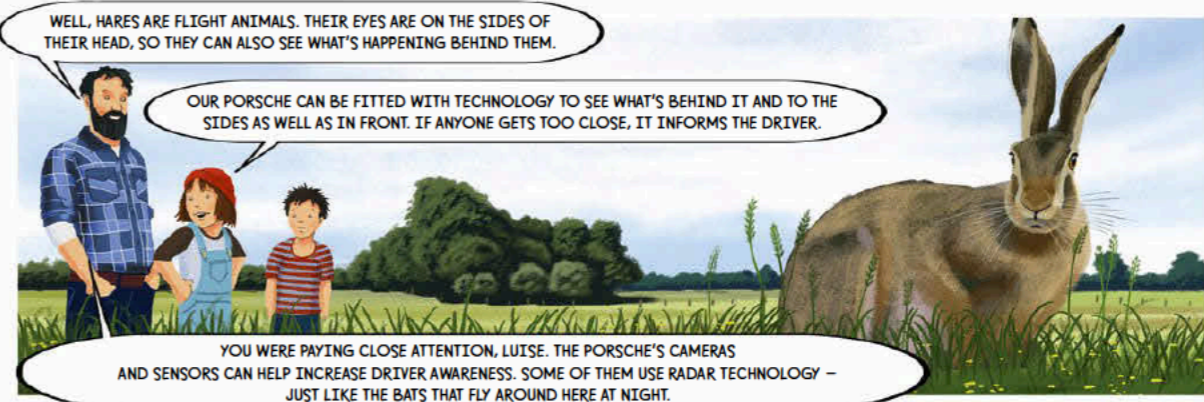

DO YOU SEE THE BUZZARD UP THERE? MANY RARE SPECIES HAVE FOUND A NEW HABITAT HERE.

OH, MAN! WHY IS HE RUNNING AWAY AND HOW DID HE EVEN NOTICE ME?

**Porsche Panamera (Sport Turismo), E-Hybrid models**  
 Fuel consumption combined: 2.8–2.1 l/100 km  
 CO<sub>2</sub> emissions combined: 63–49 g/km  
 Electrical consumption combined: 22.8–17.4 kWh/100 km  
 Effective: 01/2022

# Leipzig Dossier

WELL, HARES ARE FLIGHT ANIMALS. THEIR EYES ARE ON THE SIDES OF THEIR HEAD, SO THEY CAN ALSO SEE WHAT'S HAPPENING BEHIND THEM.

OUR PORSCHE CAN BE FITTED WITH TECHNOLOGY TO SEE WHAT'S BEHIND IT AND TO THE SIDES AS WELL AS IN FRONT. IF ANYONE GETS TOO CLOSE, IT INFORMS THE DRIVER.

YOU WERE PAYING CLOSE ATTENTION, LUISE. THE PORSCHE'S CAMERAS AND SENSORS CAN HELP INCREASE DRIVER AWARENESS. SOME OF THEM USE RADAR TECHNOLOGY – JUST LIKE THE BATS THAT FLY AROUND HERE AT NIGHT.

25 EXMOOR PONIES AND 75 HECK CATTLE HAVE BEEN SETTLED HERE AT THE PORSCHE LOCATION IN LEIPZIG. MANY OTHER MAMMALS HAVE ALSO MADE THIS THEIR HOME. HARES AND WILD RABBITS, DEER, BADGERS, FOXES, RACOONS, FIELD MICE, POLECATS, AND STONE MARTENS.

HELP! LOOK AT ALL THE BEES. THEY WANT TO STING US ...

DON'T WORRY! THEY DON'T WANT TO STING US – IT WOULD KILL THEM. BUT STILL, WE SHOULD PUT SOME PROTECTIVE CLOTHING ON.

ITS NAME IS TURBIENCHEN – I SAW THAT AT THE SHOP ENTRANCE.

THE THREE MILLION HONEYBEES LIVE IN BEE COLONIES, EACH WITH ITS OWN QUEEN, HUNDREDS OF DRONES, AND AROUND 60,000 WORKER BEES. THEY COLLECT NECTAR, FROM WHICH THEY MAKE HONEY.

WE'D BETTER STOP THERE. YOUR PARENTS JUST CALLED AND WE HAVE TO GET BACK ...

THEY WANTED TO COME HERE AND LEARN HOW TO DRIVE EEBRID OR WHATEVER.

FRED, IT'S CALLED E-HYBRID! THE PANAMERA CAN RECOVER ENERGY.

EXACTLY. THAT SAVES GAS, WHICH BENEFITS NATURE.

THE PORSCHE SAFARI IS A COLLABORATION BETWEEN PORSCHE LEIPZIG AND AUWALDSTATION LEIPZIG, AN ENVIRONMENTAL EDUCATION INSTITUTE. INFO AND APPOINTMENTS: [PORSCHE-LEIPZIG.COM/SAFARI](http://PORSCHE-LEIPZIG.COM/SAFARI)
