

New Video from Porsche Consulting

This article reflects the status at the time of its publication. The content may since have become outdated.

02/08/2016 Watch management consultants advise clients from very different industries.

A new video from the Porsche Consulting management consultancy shows how international companies are working to improve their operations. It provides exclusive insights into aircraft production at Embraer in Brazil, tire development at Bridgestone's research center in Italy, and gas turbine manufacture at Siemens in Germany. Intriguing examples from other sectors are also shown.
