09/07/2016 One week after the six-hour race at Watkins Glen, North America's premier sports car racing series IMSA SportsCar Championship now heads to Bowmanville not far from the metropolis of Toronto on 10 July for the only race in Canada.

The Porsche North America factory squad tackles the race in the Canadian Tire Motorsport Park as the defending champions with two Porsche 911 RSR. The 470 hp racer based on the seventh generation of the iconic 911 sports car contests the GTLM class – which with five automobile manufacturers has the strongest support.
