27/08/2015 Racing driver Mark Webber celebrates his 39th birthday today – and gave himself the most beautiful present of all: a 918 Spyder.

Red and white paintwork in the so-called "Salzburg Design", a special interior upgrade – the 918 Spyder bearing the number 605 is a genuine one-off model and customised exactly to the taste of its new owner: Mark Webber.

So it's no wonder that the Porsche works driver was visibly enthusiastic when he fetched the super sports car in Zuffenhausen. But take a look for yourself.

At the weekend, the Australian will take his seat again in a different Porsche. This time in the 919 Hybrid when he will battle together with the team for victory in the WEC race at the Nürburgring.
