24/12/2022 The editorial team of the Porsche Newsroom wishes you a peaceful and healthy Christmas.

As the year comes to a close and we look back on 2022, there's no denying that it has been a very challenging 12 months.

With Covid and the semiconductor crisis still raging, war broke out in Ukraine. It has touched us deeply – in our work, but even more so on a human level. Lots of Porsche employees have pitched in to help the refugees. And with donations from the Porsche Group totalling about 1.6 million euros, we have helped many people in Ukraine. This dedication and readiness to help has makes us very optimistic about the months ahead.

Next year will mark a new milestone: 75 years of Porsche sports cars. It will be exciting and eventful – in the best sense.

Until then, the Porsche Newsroom editorial team wishes you a happy, healthy and, above all, a peaceful Christmas.
