25/09/2024 Area winners to compete October 4th in Los Angeles

Atlanta. Porsche Cars North America (PCNA) has announced the finalists in the 2024 Porsche Classic Restoration Challenge.

Now in its fourth year, the Restoration Challenge focuses on classic Porsche sports cars from the 1950s to the 2000s that receive expert attention from Porsche-trained technicians – all of whom are ardent enthusiasts, just like many owners.

Entries from three sales areas – East, South-Central and West – were judged by a panel of experts from PCNA and Porsche Club of America at area events over the summer. In total, over 55 vehicles were entered in this year's contest.

"This year's competition was truly inspiring," said Jonathan Sieber, Senior Manager of Porsche Classic. "Each team's dedication and passion exemplify the true spirit of craftsmanship and passion for vintage

Porsche vehicle restoration.”

Porsche Centers across the United States were invited to compete in one of three categories: Preservation, Restoration, and Individualization. Winners will head to the finals at the Petersen Automotive Museum in Los Angeles on October 4th.
