

The 2026 Taycan 4S Black Edition

10/07/2025 Porsche is offering a special 'Black Edition' Taycan model enhanced with black accents. In addition to its special exterior and interior look, the special-edition model features many equipment details. The Taycan 4S Black Edition also offers the added advantage of a longer range thanks to a larger battery. The special-edition model will make its debut at Goodwood Festival of Speed in the UK (July 10 to 13 2025). Deliveries will start later this year.

Black accents in the exterior and interior emphasize the sporty, elegant look of the Black Edition. The Sport Design package, the side window trims and the model designation at the rear are finished in high-gloss black. Lustrous black is also found on the exterior mirrors in combination with other exterior paint finishes are available exclusively on the Black Edition. The rear light strip with illuminated black Porsche logo comes as standard. The black interior accent package, the storage package and the black-brushed illuminated aluminium door sill guards are also included.

The larger Performance Battery Plus, which is available as an option for the Taycan 4S, is standard on the Taycan 4S Black Edition. The greater gross energy capacity of 105 kWh benefits both the driving performance and potential range.

Porsche has added the following to the list of standard equipment for the Taycan 4S Black Edition : Lane Change Assist, Surround View including Active Parking Assist , 21-inch wheels with centre caps featuring the full-colour Porsche crest, HD Matrix LED headlights, LED door projectors that show the Porsche logo, front Comfort Seats (with 14-way electric adjustment and memory function) with the Porsche crest on the front headrests, a BOSE® Surround Sound System including Dolby Atmos, Electric Sport Sound, the Storage package, and black smooth leather trim. The model also features an exclusive badge in the centre console bearing the 'Black Edition' designation.

The Taycan 4S Black Edition is not only available in black

While it may be the Black Edition, black isn't compulsory as the base colour: when configuring this special-edition model, all exterior paints in the Shades category can be selected at no extra charge. These include Jet Black Metallic, Volcano Grey Metallic, Dolomite Silver Metallic, and Ice Grey Metallic.

Customers can optionally choose a colour from the Legends, Dreams, and Contrasts categories or take advantage of the extensive customization options offered by the Paint to Sample and Paint to Sample Plus programs. There are options for the interior as well, including leather in Slate Grey or a two-tone design.

Special Black Edition package on request and further personalization

The extended Black Edition package exclusively includes 'Black Edition' lettering on the front doors, as well as illuminated door sill guards and a vehicle key set with case also featuring matching lettering.

The vehicles become truly special unique pieces through the options marked with the personalization symbol. Numerous interior components can be personalized, including the vehicle keys and case, the reversible luggage compartment mat, the floor mats, the vehicle documentation folder, the lid of the storage compartment in the centre console, and the door sill guards.

The corresponding options are marked with the personalization symbol in the Porsche Car Configurator and can be visualized there in real time. Porsche Exclusive Manufaktur realizes these equipment details with great attention to detail and outstanding craftsmanship.

The 2026 Taycan 4S Black Edition can be ordered with pricing starting at $152,200.
