

Porsche Macan earns Car and Driver 10Best Truck and SUV award

16/12/2025 This marks the ninth time the Macan has been recognized with this honor.

Atlanta. Car and Driver has chosen the 2026 Porsche Macan as a 10Best Truck and SUV award winner for the ninth time. This accolade by the Car and Driver editorial staff is coveted and underscores the driving enjoyment, in-segment value and curb appeal that the Macan exudes. More than 100 entrants encompassing most new road-going passenger vehicles with an MSRP under $115,000 are tested and evaluated over the course of two weeks before the winners are selected.

"The Macan is still the only SUV that can do a convincing impression of a sports sedan – a really good sports sedan" said Car and Driver Senior Editor Ezra Dyer.

"We are thrilled and grateful that the blend of engaging driving dynamics, everyday usability and value that has defined the Macan since it was first introduced has once again been distinguished by the discerning editorial team at Car and Driver" said Timo Resch, President and CEO of Porsche Cars North America. "Receiving this award for the ninth time is proof that a compelling, sports car-inspired

package will continue to stand the test of time - something our engineers always strive for."
