

The new Media Search

This article reflects the status at the time of its publication. The content may since have become outdated.

05/03/2015 Using the new Media Search function, you can now search for – and download – content in the Porsche Newsroom more selectively.

You are searching for spectacular photos of the 918 Spyder? The latest video about the Macan? Or general information about the company? The Media Search helps you to find content like this quickly and specifically. You can filter your results by medium, date, relevance or category and also download them conveniently. How this works? Have a look at this video!

Check it out! The new Media Search.
