

World Premiere of the New Porsche 99X Electric

24/10/2024 Today the TAG Heuer Porsche Formula E Team will unveil its new all-electric racing car, the GEN3 Evo generation of the Porsche 99X Electric.

Starting at 13:00 CEST, Porsche will stream the video world premiere here in the Porsche Newsroom as well as on YouTube and LinkedIn. Guest starring in the stream is Formula E safety car driver and GEN3 Evo development driver Bruno Correia. With compatriot António Félix da Costa, World Champion Pascal Wehrlein, and team principal Florian Modlinger, the man from Portugal will get the new Formula E season underway. The event will give media representatives access to information about the new Porsche 99X Electric, including images, and footage – located on the Formula E page of the Porsche Newsroom.
