

A picture is worth 1000 words, but what about 70 years?

06/03/2021 To celebrate 70 years of Porsche in Australia Porsche Cars Australia is giving away 70 prizes for a photography competition as well as the major prize of a luxury getaway driving the new Taycan for up to 3 days – a truly spectacular experience.

Each fortnight a new theme will be released on Porsche Cars Australia's social media channels that relates to the storied history of Porsche in Australia.

It is then up to you to creatively interpret this theme, capture it in a photo, and post it to your Instagram feed to form part of the selection of photos to be judged by the judging panel.

Your responses could focus on breathtaking imagery, abstract art, a personal story, or perhaps a childhood memory. The options are endless, and we can't wait to see them.

The topics themselves will vary. One week may be around Porsche enthusiasts, the next about our heritage, our connection with Australia, our Porsche passion and more.

Here's what you need to know and what to do to enter:

- Follow @PorscheAUS
- Stay tuned to our 70 Years post during the overall competition period as we announce each fortnightly competition theme
- Take a photo of how you connect with the fortnightly theme
- Upload your photo and tag @PorscheAUS #70yearsPorscheAUS
- Publish your photo to your Instagram feed during the fortnight applying to your chosen theme

Entries will be judged on creativity and how well they have captured the relevant theme for a particular fortnight.

Overall competition period is 9am AEST 11/12/2020 – 12:00pm AEST 19/03/2021. Entrants must submit their entry within the fortnight that applies to the theme of their photo. Please see Conditions of Entry for timing of each fortnight within the overall competition period. Entrants must be 18+ years old and Australian residents.

Theme Six: Lifestyle

Whilst we reflect on the last 70 years, the Porsche Lifestyle celebrates living in the moment, and having a driven mindset. What inspires your lifestyle? Tell us through imagery you've captured to demonstrate your connection to the theme.

Theme Five: Design

Over the last 70 years, Porsche is ever evolving but design has always been at the forefront. We want to know, what design features inspire you? Showcase this through your creative imagery.

Theme Four: Journey

We believe that every journey tells a story – sometimes it can be the most memorable part. The imagery you captured along the way tells that story and we want you to share a photo on your

Instagram feed that tells us how you connect with this theme.

Theme Three: Australia

We are celebrating 70 Years of Porsche in Australia and want to know what you are inspired by when you think about Australia. It might be where you've taken your Porsche or your favourite roads to drive.

Theme Two: Heritage

It's time to reflect on 70 amazing years of Australian Porsche history with a theme and prize fit for passionate collectors. Showcase your photography skills and express the theme of *Heritage* in a celebratory way. Remember you don't need a Porsche to participate, time to get creative.

Theme One: Calling all Porsche Enthusiasts.

To launch the 70 years of Porsche Cars in Australia photo competition, the first theme is something special to Porsche: *Calling all Porsche Enthusiasts*.

All car lovers are welcome. From your favourite Porsche feature, to Porsche memorabilia you may have collected, show us how you connect with this theme and what it means to you.
