

Where emotion meets engineering: Porsche Exclusive Manufaktur brings dreams to life

16/06/2025 A statement of individuality through Porsche Exclusive Manufaktur.

Jordan |Porsche Centre Jordan has unveiled a highly individualised 911 Carrera GTS Cabriolet that exemplifies the art of personal expression through Porsche Exclusive Manufaktur.

In a world of automation and uniformity, Porsche Exclusive Manufaktur is a quiet rebellion an ode to the art of craftsmanship and the enduring power of personal expression. Dressed in a courageous Cartagena Yellow Metallic finish and enhanced with a suite of exclusive design elements, the car captures the essence of bespoke luxury in its purest form.

As a tribute to Porsche's belief that no two dreams should look the same, this uniquely specified 911 was meticulously configured to reflect both performance excellence and design sophistication.

The result is a vehicle that pushes the boundaries of personalization, showcasing how Porsche's legendary performance can be elevated with emotional, handcrafted detail.

Exterior: Striking contrast with bespoke precision

The car's vibrant Cartagena Yellow Metallic paintwork, rarely seen on Jordanian roads, offers a powerful presence that turns heads even before the engine roars to life.

Contrasting elements from the exterior package in black (high-gloss) sharpen the design language, enhancing everything from the side skirts to the air intake surrounds with dramatic precision.

Further enhancing its exclusive appeal are details like the exclusive design fuel filler cap, milled from solid aluminium, and sports tailpipes in titanium, which add both visual depth and acoustic presence.

The visual story is completed by tinted HD-Matrix LED main headlights and exclusive design taillights, both unmistakable signatures of the Manufaktur touch. As the doors open, LED courtesy lights projecting the 'PORSCHE' logo announce your arrival with quiet sophistication.

Interior: Designed to be felt, not just seen

The interior of this bespoke 911 is where passion and craftsmanship truly converge. Inspired by the exterior, the interior package painted in body colour with black accents creates visual harmony across the cabin.

Club leather in Basalt Black forms the foundation of the cabin's aesthetic, while exclusive enhancements such as the Porsche Crest embossed on the headrests, PDK gear selector in aluminium and Porsche Design subsecond clock highlight the car's elevated design story.

Perhaps the most captivating touch is the sports seat plus backrests, upholstered in leather and finished with decorative inlays painted in Cartagena Yellow transforming seating into sculpture.

Subtle, thoughtful additions like illuminated bespoke door sill guards in brushed aluminium painted black, painted vehicle keys with matching case, and custom embossing on the center console lid underscore the philosophy that perfection lies in the details.

Performance that matches the presence

Beneath the bespoke enhancements lies the heart of a true driver's car. The 911 Carrera GTS Cabriolet is powered by a 3.6-litre engine delivering 541 PS through an 8-speed Porsche Doppelkupplung (PDK) transmission. It is equally at home devouring winding mountain roads or gliding through urban

boulevards.

Technology features such as Porsche Active Suspension Management (PASM), the front axle lift system, and a Burmester® High-End Surround Sound System ensure that both exhilaration and refinement are experienced in perfect balance.

Through Porsche Exclusive Manufaktur, Porsche gives you the freedom to shape every detail of your car turning your personal vision into reality and creating a Porsche that doesn't just feel unique, but truly feels like yours. It's not just customization, it's your dream, crafted by hand.
