15/10/2018 A super-sonic celebration for the ears: 13 icons from the Porsche Museum made music of a different sort at the eighth annual Sound Night.

Conducted by stars from Porsche's racing past and present, alongside engineers from Weissach and several celebrities, engines roared to life to create a soundtrack worthy of the special "70 years of Porsche sports cars" event.

Almost 4,000 fans gathered to hear the aural spectacle in Stuttgart. "The Porsche Arena is just the right setting for the 70th anniversary of our sports cars," said Le Mans winner Marc Lieb.
