30/05/2017 The new Porsche Consulting Magazine.

Are too many long-standing companies applying the brakes on innovation? How can managers open up more space to their employees for creativity? These are two of the topics in the 18th issue of the Porsche Consulting Magazine. Its feature stories from industry and business focus on clever solutions for major tasks. For example, how Deutsche Bahn (German Rail) repairs switches during the night to improve its on-time record.
