

Porsche Centre Perth assembles 38 Taycan for spectacular owners event

20/06/2022 Gathering of Taycan all-electric sports cars one of the largest in the world since the car's launch.

Porsche Centre Perth recently held an exclusive event for its first Taycan owners.

Thirty-eight all-electric Taycan participated in the drive, which began at a waterfront location in Fremantle, Western Australia.

The event is one of the largest gatherings of Taycan sports cars anywhere in the world since the car's launch in 2019.

Porsche Cars Australia contributed one car to the group – the art car it unveiled last year.

The spectacular Nigel Sense-styled Taycan led the pack, driven by Porsche Cars Australia CEO and Managing Director Daniel Schmollinger.
