03/03/2015 Tomorrow, the Geneva International Motor Show opens its doors to the public. Porsche will present two new high-performance cars: the Cayman GT4 and a surprise. Do you want to see it before everyone else? We'll broadcast it live at 11:30 a.m. (CET).

The new Cayman GT4 is the first high-performance sports car belonging to the GT family that is based on the mid-engine coupes. Clocking a lap time of seven minutes and 40 seconds on the North Loop of the Nürburgring, the new entry-level model makes a great debut.

The second new model is another exceptional Porsche that sets new standards on the racetrack. The world premiere will take place during the Porsche press conference at the Palexpo Arena in Geneva at 11:30 (CET) on March 3, 2015.
