The Porsche 911 RSR celebrated its World Sports Car Championship (WEC) debut at Silverstone in 2017. So far this season, the racer from Weissach has clinched a one-two result in the GTE-Pro class at Le Mans and secured the GTE-Am category class win at the endurance classic in France as well as at the Silverstone race. The RSR with its four-litre boxer engine is based on the seventh generation of the iconic 911 sports car and produces around 510 hp depending on the restrictor. With a total of six vehicles, the Porsche brand is represented by the largest contingent of GT racers in the World Sports

Car Championship.
