## Honoring yesterday and today

Porsche is celebrating 60 years of the 911 sports car with the release of two limited-edition sneakers specially designed to reflect the impressive history of the iconic sports car. The first model, the Retro Sneaker, embodies the past of the Porsche 911, featuring a classic narrow suede leather silhouette inspired by the 1972 Porsche 911 S 2.5. The sneaker comes in a light blue color scheme, reflecting the historic vehicle's exterior color, and includes red contrast stitching in addition to the starting number 56 on the heel. Limited to 1,972 pairs in homage to the Porsche 911 S 2.5's birth year, the sneaker's individual numbering can be found on a leather flap attached to the side, along with the Porsche lettering. The grill badge from the recently released Porsche 911 S/T's radiator grill is applied to the front of the tongue and the brown leather tag.

The second model, the Heritage Sneaker, takes inspiration from the current Porsche 911 S/T. With a sporty leather silhouette, these sneakers feature a gray hue derived from the anniversary car's exterior color and cognac-brown tone on the lining, reminiscent of the interior. The Heritage Sneaker displays the starting number 63 on the heel as an accolade to the Porsche 911's birth year. As a tribute to the first generation of the 911, the Heritage Sneakers are limited to 1,963 pairs. The individual numbering (no. XXXX of 1963) is located on the underside of the tongue, which bears the same pattern as the vehicle seats. The Heritage Sneaker also showcases the 60 Years of Porsche 911 logo in color on the shoe's tongue and on the hang tag made from the outer leather of the shoe.

## Porsche history for every style

These two limited-edition sneaker collections are not only designed to celebrate Porsche's 75-year legacy of sports car supremacy and 60 years of the 911 but also offer a unique opportunity to wear a tribute to Porsche history on your feet. The Rennsport Reunion 7 – Mirage Sport Tech trainers will be available to order starting August 24 at the official Porsche Design Online Store and Porsche Design stores for a retail price of \$150. The Porsche Heritage and Retro Sneakers will be available for online order starting September 6 at Shop.Porsche.com at a retail price of \$160.
