the evening marked their first opportunity to discover the new Cayenne Electric in person.

A live band performance set the tone for the evening before the highlight of the programme. Draped beneath a black veil, the 911 Turbo S was unveiled at exactly 9:11 PM, a symbolic tribute to Porsche's iconic sports car.

“The reveal of the new 911 Turbo S Exclusive Manufaktur was an important moment for Porsche Morocco and for our customers,” said David Picandet, Brand Director of Porsche Morocco.

“By presenting the car at Le Pavillon, we were able to create an experience that reflected both the performance of the model and the lifestyle expectations of our community. It was also an opportunity to bring customers closer to the wider Porsche range, including the new Cayenne Electric.”

The new 911 Turbo S combines a T-Hybrid powertrain with 523 kW (711 PS) and 800 Nm of torque, accelerating from 0 to 100 km/h in 2.5 seconds and reaching a top speed of 322 km/h.
