

Porsche 911 GT2 RS sets production car lap record at Road America

This article reflects the status at the time of its publication. The content may since have become outdated.

30/04/2019 Lapping the 4.048 mile track in just 2:15,17 minutes, the Porsche 911 GT2 RS sets a new benchmark time in Elkhart Lake.

The Porsche 911 GT2 RS has set a new production car lap record at Road America, completing the 4.048 mile road course with its 14 turns and multiple elevation changes in just 2:15,17 minutes. 24 Hours of Daytona and Le Mans class winner David Donohue took to the wheel of the 911 GT2 RS and only needed two laps to do so, underscoring not just the track capability, but also the approachability of the car.

911 GT2 RS at Road America

The Porsche 911 GT3 RS also recorded an impressive lap time of 2:18,57 minutes at the same track after only a few laps. Once again, both cars took to the track on road-legal and Porsche-approved Michelin Pilot Sport Cup 2 R NO tires. Racelogic was on-site to record and validate the lap time, vehicle telemetry, and video utilizing the VBOX Video HD2 system.
