

The Panamera GTS Exclusive Manufaktur is now available at Porsche Centre Bahrain

16/03/2026 A masterpiece of personalization, where the art of Porsche Exclusive Manufaktur meets the soul of the GTS.

Bahrain |Porsche Centre Bahrain is proud to announce the arrival of the all-new Panamera GTS Exclusive Manufaktur, in Arena Red, a vehicle that represents the very pinnacle of automotive personalization and performance. This exceptional machine is a testament to the belief that a Porsche should be as unique as the person who drives it.

Where dreams become reality

The Porsche Exclusive Manufaktur is where dreams become reality. It is a place of meticulous craftsmanship and boundless creativity, where every detail of a vehicle is tailored to reflect the desires

of its owner. From the stitching on the seats to the shade of the paint, no element is too small to personalize. The Panamera GTS you see before you is not simply a car, it is a rolling work of art, born from the imagination of its creator and brought to life by the hands of Porsche's finest artisans.

Arena Red, the defining exterior hue of this Panamera GTS, was chosen to command attention. Bold, passionate, and unapologetically vibrant, it perfectly mirrors the character of the GTS itself — a car that refuses to compromise between luxury and performance.

The GTS spirit: Pure, Powerful, Precise

At the heart of the Panamera GTS lies a newly developed 4.0-litre twin-turbo V8 engine, delivering 500 PS (368 kW) and a maximum torque of 660 Nm. With all-wheel drive and the Sport Chrono Package, the GTS accelerates from 0 to 100 km/h in just 3.8 seconds, reaching a top speed of 302 km/h. This is not merely performance, it is a visceral, emotional experience that resonates with every push of the throttle.

The GTS character is expressed throughout the vehicle: 21-inch forged wheels with central locking, the Sport Design package, an adaptive 4-way rear spoiler, and a specially tuned GTS chassis with adaptive air suspension lowered by 10 mm. Inside, adaptive sports seats, a GT sports steering wheel, and Race-Tex upholstery in Black reinforce the sporting intent, while the Porsche Torque Vectoring Plus (PTV Plus) system ensures razor-sharp agility at every corner.

An expression of self

Through Porsche Exclusive Manufaktur, every aspect of this Panamera GTS has been considered with the greatest of care. The programme elevates an already extraordinary automobile into something deeply personal — a singular creation that carries the signature of its owner in every curve, every stitch, and every surface. Whether it is a bespoke leather interior, a Paint to Sample exterior colour, or custom trim elements, Porsche Exclusive Manufaktur transforms a desire into a driveable reality.

"We are thrilled to bring this extraordinary example of the Panamera GTS Exclusive Manufaktur to Bahrain," said Mark Price, Brand Manager at Porsche Centre Bahrain.

"Arena Red is a colour that speaks volumes, it is daring, powerful, and utterly distinctive. It captures the very essence of what the GTS stands for and what Porsche Exclusive Manufaktur makes possible. We invite our clients to come and experience this vehicle in person and to discover the limitless possibilities that Exclusive Manufaktur offers."
