

Porsche Centre Shuwaikh hosts Exclusive Manufaktur event

18/03/2024 Porsche Centre Shuwaikh, Kuwait has shown the extent to which Porsches of all types can be customised and individualised for guests, customers and VIPs at a special one-off Exclusive Manufaktur weekend on March 15-16.

Kuwait |The all-new Porsche Centre Shuwaikh opened its doors to one of Kuwait's biggest displays of bespoke Porsches to come from the Exclusive Manufaktur program across two days with music, entertainment and of course no shortage of iconic models on display.

Porsche Centre Kuwait was among the first dealerships in the region to be announced as an official Exclusive Manufaktur Partner in 2007 and the event which also showed samples of the more than 160 shades available in its Paint to Sample options, showcased its newest showroom, the largest Porsche destination in the Middle East and Africa.

Some examples of what was on offer included a 911 Turbo S with Exclusive Manufaktur highlights such as Pain to Sample (Turquoiseblue), two-tone leather heritage Design Classic, Black and Classic Cognac

(semi anilin) and exclusive design taillights.

Paint to Sample was also on show with a Cayenne Coupe in Sapphire Blue Metallic, a Cayenne wearing Porsche Racing Green Metallic and a Cayenne S Coupe in Arrow Grey Metallic.

The event showed how Porsche Centre Kuwait's new, larger and more advanced facility at Shuwaikh offers more bespoke possibilities for external and interior trim packages for its customers.
