

Merry Christmas!

This article reflects the status at the time of its publication. The content may since have become outdated.

24/12/2021 The editorial team of the Porsche Newsroom wishes you a peaceful and healthy Christmas.

The past year for Porsche has been a veritable product firework: the new 911 GT3 with its motorsport DNA, the all-electric Mission R concept and the 718 Cayman GT4 RS were just the tip of the new-launch iceberg, with a multitude of new cars revealed to the globe in 2021. The coronavirus pandemic, on the other hand, presented major challenges to the company and society as a whole. This is why Porsche AG has significantly expanded its social commitments again over the past 12 months.

It's now time to take a break and recharge over the festive season. The Porsche Newsroom editorial team wishes you a happy, peaceful and, above all, a healthy Christmas.

Consumption data

718 Cayman GT4 RS (WLTP)*: Fuel consumption combined: 13.0 l/100 km; CO_2 emissions combined: 295 g/km; CO_2 class: G

911 GT3 (Predecessor model)

*Further information on the official fuel consumption and the official specific CO_2 emissions of new passenger cars can be found in the "Leitfaden über den Kraftstoffverbrauch, die CO_2-Emissionen und den Stromverbrauch neuer Personenkraftwagen" (Fuel Consumption, CO_2Emissions and Electricity Consumption Guide for New Passenger Cars), which is available free of charge at all sales outlets and from DAT (Deutsche Automobil Treuhand GmbH, Helmuth-Hirth-Str. 1, 73760 Ostfildern-Scharnhausen, www.dat.de).
