After securing runner-up in the driver's championship thanks to Richard Lietz and Fréderic Makowiecki

in 2017, the Porsche GT Team has now set its sights on the driver's and manufacturer's title in the world sports car championship. The Porsche 911 RSR celebrated its premiere in international long-distance racing in 2017 and is based on the seventh generation of the iconic 911 sports car. Depending on the restrictor, the water-cooled four-litre flat-six engine puts out around 510 hp.
