

The new top-of-the-range model in the 911 series is in the starting blocks. In a digital world premiere, Hollywood actor and racing driver Patrick Dempsey presents the new vehicle.

Dempsey presents the new top-of-the-range model of the 911 series

07/09/2025 The new top-of-the-range model in the 911 series is in the starting blocks. In a digital world premiere, Hollywood actor and racing driver Patrick Dempsey presents the new vehicle.

He will guide the audience through various stages of the development of the innovative sports car – from the wind tunnel to engine development to the test track in Weissach. He will meet sports car boss Frank Moser, development driver and brand ambassador Jörg Bergmeister, tech YouTuber Jason Fenske from Engineering Explained and many other engineers from Weissach.

Broadcast in the Porsche Newsroom

The world premiere of the 911 top-of-the-range model will be broadcast on 7 September at 15:00 CEST in the Porsche Newsroom as well as on the Porsche YouTube channel and LinkedIn and can be

accessed on demand afterwards. From 9 September, the new 911 top-of-the-range model will be on display at the Open Space of the IAA Mobility in Munich's city centre at Wittelsbacherplatz
