

All in black: Porsche Cayman Black Edition

This article reflects the status at the time of its publication. The content may since have become outdated.

02/10/2015 Porsche is now also offering the Cayman as a Black Edition. The all-in-black special series previously comprised the Boxster and the 911 Carrera.

The combination of black paintwork and a black partial leather interior emphasises the timeless and sporty elegance of the sports cars. The standard equipment of the Black Edition models includes Porsche Communication Management (PCM) with navigation module, automatic anti-dazzle mirrors, rain sensor, cruise control, parking assistant at the front and rear and the Sport Design steering wheel.

The Cayman Black Edition is based on the mid-engine coupé with a 2.7 litre flat engine and 202 kW (275 hp, Cayman Black Edition: Combined fuel consumption: 8,4 – 7,9 l/100 km; CO2 emissions: 195 – 183 g/km). The 20-inch Carrera Classic wheels, bi-xenon headlights with PDLS (Porsche Dynamic Light System) and optional side window trims in aluminium are eye-catching highlights. For enhanced

personal comfort, the driver and passenger can avail of two-zone climate control and heated seats. The Cayman Black Edition comes with the high-quality audio system Sound Package Plus.
