30/03/2021 The new episode of 9:11 Magazine combines past and present, featuring the Ingram family and their incredible Porsche collection, the evolution of the Boxster and the inside track on the new 911 GT3.

The Ingrams

The Ingram family from North Carolina, have amassed a remarkable number of Porsche models over the years. Bob Ingram and his son Cam talk about their shared passion, the gas explosion that threatened their incredible collection, and the triumphant drive with their 356 B Carrera GTL Abarth.

The youngster

At the 1993 Detroit Motor Show, the Boxster sports car study was named ‘Best in Show’. For Porsche, this was the starting point for the series development of a two-seater reminiscent of legends such as the 550 Spyder and the 718 RS 60 Spyder. Insiders Hans-Jürgen Wöhler and Sebastian Bien explain the evolution of the Boxster in detail – right up to the new special edition.

The best

The new Porsche 911 GT3 lapped the Nürburgring's Nordschleife more than 17 seconds faster than its predecessor. Describing the seventh edition as “amazing”, brand ambassadors Walter Röhrl and Jörg Bergmeister talk about the newcomer they’ve dubbed "by far the best production car".

Consumption data

911 GT3 (Predecessor model)

*Further information on the official fuel consumption and the official specific CO_2 emissions of new passenger cars can be found in the "Leitfaden über den Kraftstoffverbrauch, die CO_2-Emissionen und den Stromverbrauch neuer Personenkraftwagen" (Fuel Consumption, CO_2Emissions and Electricity Consumption Guide for New Passenger Cars), which is available free of charge at all sales outlets and from DAT (Deutsche Automobil Treuhand GmbH, Helmuth-Hirth-Str. 1, 73760 Ostfildern-Scharnhausen, www.dat.de).
