

Two new 911 RSR tackle the shortest race of the season

This article reflects the status at the time of its publication. The content may since have become outdated.

07/04/2017 With the long distance classics of Daytona and Sebring ticked off, next up is the shortest race on IMSA SportsCar Championship calendar on 8 April: Round three on the fully walled and fenced street circuit in Long Beach, California, is over in just 100 minutes.

Set against a postcard-perfect backdrop of sun, sea and palms, the Porsche GT Team fields two new 911 RSR in the particularly cutthroat GTLM class. Four Porsche customer teams take on the GTD class with the Daytona-winning Porsche 911 GT3 R.
