

Porsche Centre Kuwait celebrates 'The Night of the Classics'

04/06/2025 Marking the one-year anniversary of its recognition as an official Porsche Classic Partner.

Kuwait | Porsche Centre Kuwait, Behbehani Motors Company, the leading automotive brand and pioneer in sports car design, engineering and technology, hosted an exclusive celebration 'The Night of the Classics' at its state-of-the-art showroom in Shuwaikh.

This special event commemorated a significant milestone the one-year anniversary of Porsche Centre Kuwait being officially recognised as a Porsche Classic Partner.

Held inside the Porsche Museum at Porsche Centre Kuwait, the evening transported guests into a world of heritage and cinematic nostalgia. Attendees included VIP customers, Porsche collectors, social media influencers, and media representatives, all of whom gathered to celebrate the timeless spirit of Porsche.

The highlight of the evening was a nostalgic movie night, featuring the legendary Porsche 911 Turbo (964) in one of its most iconic chase scenes.

The classic cinematic experience was enhanced with retro-style snacks, curated photo moments, and personalized giveaways. Guests also enjoyed live customization experiences, adding a dynamic and luxurious twist to the celebration.

Becoming an official Porsche Classic Partner is a prestigious designation awarded by Porsche AG to only a select number of dealerships worldwide that meet the highest standards in classic vehicle service, restoration, and authenticity.

Porsche Centre Kuwait's recognition in 2024 positioned the country as the third in the Arab region to receive this title, joining the United Arab Emirates and Lebanon, and further established Kuwait as a key hub in the world of classic sports cars.

This certification brings immense value to Porsche owners and collectors across the region. As a Classic Partner, Porsche Centre Kuwait offers specialised services tailored for vintage Porsche models, including factory-approved repairs, authentic spare parts, expert restoration work, and access to exclusive events.

With trained technicians, dedicated facilities, and a deep understanding of the brand's historical models, the centre ensures that every classic Porsche receives the attention and respect it deserves.

Porsche Centre Kuwait is not only home to the largest Porsche destination in the Middle East and Africa, but also a regional leader in cultivating brand heritage and customer passion.
