

World's Best Management Consulting Firms 2025

27/08/2025 Top rankings for Porsche Consulting in the *Forbes* consulting ranking.

Porsche Consulting has been recognized as one of the world's best management consultancies in 2025. This recognition comes from the "World's Best Management Consulting Firms 2025" ranking, compiled by the U.S. business magazine *Forbes* in partnership with the global market research institute Statista.

Porsche Consulting achieved top rankings in six industries and five functional areas. In the industries "Automotive", "Consumer Goods & Retail", “Industrial Goods & Services”, and “Travel, Transportation & Logistics”, Porsche Consulting received four out of five possible stars. Additionally, Porsche Consulting earned three stars in the “Aerospace & Defense” and “Health Care & Life Sciences” industries. Porsche Consulting also received four stars in the functional areas of “Operations Management”, “Organization Management”, “Sales & CRM”, “Strategy”, and “Procurement & Supply Chain Management”. Compared to the previous year, Porsche Consulting was ranked for the first time in the categories “Consumer Goods & Retail”, “Health Care & Life Sciences”, and “Sales & CRM”.

Every year, the renowned business magazine *Forbes* and Statista investigate which management consultancies are considered the best on the market. The latest study is based on national surveys of consultants (partners and executives at management consulting firms) and clients (executives) in the United States, the United Kingdom, and Germany, as well as a global survey of 8,900 consultants and clients across 29 countries. Survey participants were asked which consulting firms they would recommend across 13 industries and 15 functional areas. Those with the most recommendations were awarded a star rating.
