

The Milan Office

This article reflects the status at the time of its publication. The content may since have become outdated.

09/12/2019 Focusing on people, guiding change, creating space for innovation—the Porsche Consulting management consultancy does all of this and more. Success needs the right atmosphere. It can be found at Porsche Consulting's nine modern offices around the world.

Like in Milan— fashion, gastronomy, art, culture and design shape the face of this centuries-old city. This is also where the economic heart of Italy beats: as a financial centre and university city, Milan attracts talents and companies from all over the world. Since 2006, the management consultancy Porsche Consulting has had a local office in the northern Italian metropolis and brings the "modello tedesco" - the German model - to clients from a wide variety of industries. In our video series we give an insight into the office.
