

Porsche Main Line celebrates grand opening

09/05/2023 The suburban Philadelphia dealership's new Porsche Center features an 86,000-sq-ft showroom

The newly constructed Porsche Main Line is a state-of-the-art Center that boasts a modern design and cutting-edge technology. A party celebrated its grand opening on May 4, 2023.

"This awesome showroom represents the next generation of a Porsche Center," says Kjell Gruner, President and CEO of Porsche Cars North America, Inc. (PCNA). "It is an investment in the future. It is also a commitment to create memorable customer experiences and provide exceptional service in an inspiring and welcoming environment."

Highlights from Porsche Main Line Grand Opening

Along with expansive lounge space with a café, there is also a nursing pod and a quiet space for

customers to work uninterrupted while their Porsche is serviced.

"We are pleased to welcome guests to the new Porsche Main Line," says Robert DiStanislo, Owner and President of RDS Automotive, the parent company of Porsche Main Line. "Our team has worked hard to create a space that not only showcases the beauty and power of our vehicles, but also aligns with, and we hope exceeds, the unique expectations of our customers."

A look inside Porsche Main Line

The new facility features an 86,000 sq-ft showroom capable of displaying 11 vehicles. There is also a Classic display and a vehicle fitting lounge in the new showroom. The new 15,000 sq-foot service center has 23 work stalls, plus one alignment rack and one flat bay. Both new and Certified Pre-Owned cars are available.

Porsche Main Line's parent company, RDS Automotive Group, is the owner of six car dealerships in Pennsylvania and Connecticut.
