

# 9:11 Magazine Episode 19: New Paths

**31/05/2021** The new issue of the 9:11 Magazine reports on innovations: behind the scenes of the Taycan Cross Turismo's world tour; in China, where Porsche opened its first showroom in 2001; and on the circuits of the sim racers.

## Best moments

Beijing 2001: Porsche opens the first showroom in mainland China in the renowned Chang An Club. The venture becomes a success – and a love story: two Porsche aficionados from the very beginning talk about 20 years of automotive culture.

## The globetrotter

A Porsche on new paths: the Taycan Cross Turismo was driven on a number of different surfaces in five countries before its world premiere. The film team reports on a world tour under extraordinary conditions.

## Porsche in the game

Cup cars from Porsche are the heroes of the virtual racetrack for sim racers like Moritz Löhner. Series like the Porsche TAG Heuer Esports Supercup offer racing talent a springboard into motorsport. One of them is Rudy van Buren.
