

The Place to Be

This article reflects the status at the time of its publication. The content may since have become outdated.

08/11/2018 Where start-ups meet investors.

The most important benefits that a location should offer include networks with other start-ups and established companies, close proximity to research institutes, financially sound investors, and, of course, quality of life in good measure—this is what attracts tomorrow's talent. And exactly where can the world's top spots for new and innovative businesses be found?
