26/05/2018 A rock star in an all-electric sports car: See what happens when Adam Levine drives the Mission E concept car at the Porsche Experience Center Los Angeles.

Rock star Adam Levine has owned a 1958 356A Speedster for ten years, and at the Experience Centre L.A. he had the opportunity to swap the wheel of his historic Porsche for that of the Mission E concept study. Watch the film to see how the sports car of the future measured up when the Maroon 5 frontman took a seat in the cockpit.
