

Porsche Centre Bahrain prides itself on being able to meet virtually every customer's requests with its access to Exclusive Manufaktur and can personalise any car in the Porsche model range.

Porsche Centre Bahrain delivers a one-of-a-kind 911 Turbo featuring Exclusive Manufaktur items

21/05/2024 Bahrain | Porsche Centre Bahrain prides itself on being able to meet virtually every customer's requests with its access to Exclusive Manufaktur and can personalise any car in the Porsche model range.

Bahrain | As Porsche Centre Bahrain prepares for the arrival of the new 911, 992.2 Coupe due next year, demand for the Turbo remains high with customers taking advantage to personalise and add some bespoke items to their purchase before the order books close on the current generation.

One example is this 911 Turbo in Gentian Blue Metallic that features Exclusive Manufaktur high gloss black for the side window trims, sports exhaust tips and door mirror bases as well as its model designation and "Porsche" badges to offset its eye-catching exterior colour. It also sits on 20-inch

Turbo wheels at the front with 21-inch rims on the rear.

The interior features more Exclusive Manufaktur tweaks with the Heritage Design Package that takes selected interior items from the limited-edition 911 Targa 4S Heritage Design Edition such as iconic Pepita black and white fabric seat trim. This sits on two-tone leather comprised of Black across the top over Classic Cognac semi anilin through the main body.

Porsche offers fully customized and tailored options through Exclusive Manufaktur which makes it possible to configure and design a Porsche to meet individual needs and make it a truly one-of-a-kind Porsche.
