

Solutions for the future: Hi, I'm Deniel!

23/01/2017 Who works in the Porsche Digital Lab? Porsche Newsroom introduces the team.

As a software developer, Deniel Horvatic is at the heart of the Porsche Digital Lab. Rapid solutions, innovative information technology, a consistent data strategy and modern products from the cloud are all part of the hackathon expert's day-to-day work.

"Working on cutting-edge issues fascinates me. At the same time, we get to know people at the Porsche Digital Lab who have a wealth of experience and who we can learn a lot from".
