17/06/2016 Shortly before the 24 Hours race, Porsche provides an outlook on Le Mans at a press conference. You can be there live – today starting at 1 pm (CEST).

How are the preparations running for Le Mans? What are the greatest challenges for the classic race event? What do the Porsche teams think about the weekend? These questions will be answered at a press conference by Dr. Michael Steiner, Member of the Executive Board for Development at Porsche AG, Fritz Enzinger, Head of LMP1, and Dr. Frank-Steffen Walliser, Head of Motorsport and GT Vehicles.

Sport reporter Michael Antwerpes will moderate the conference and will speak to Dieter Landenberger, Head of the Porsche Archive, and Hans-Joachim Stuck, two-time Le Mans winner about the historical importance of the race, teething troubles during the first years and the ensuing performance leap.

The Porsche Newsroom will transmit the press conference live on Friday, June 17 starting at 1 pm (CEST).
