

Top Rankings for Porsche Consulting

15/03/2024 Porsche Consulting listed among the best German management consultancies by the business magazine brand eins.

As in previous years, the industry ranking by the business magazine brand eins listed Porsche Consulting among the best German management consultancies. Porsche Consulting has achieved first place in the sectors of “Auto and Supplier”, “Mechanical & Plant Engineering”, as well as “Operations Management”. Moreover, Porsche Consulting gained top scores in the fields of “Other Industrial Goods”, “Transport, Traffic & Logistics”, and “Aerospace & Defense” as well as in the consulting fields of “Strategy Development”, “Purchasing & Supply Chain Management”, and "Organization".

Germany’s largest and most representative consulting survey has been compiled for the eleventh time. More than 1,500 senior executives as well as almost 7,000 partners and principals were interviewed in the categories of colleague recommendation and client evaluation. “A big Thank You to all our clients for their trust and appreciation. We are looking forward to solve together your most important entrepreneurial questions,” says Eberhard Weiblen, CEO of Porsche Consulting.

You can take a look at the results (in German) here: brand eins ranking.
