

Porsche clocks the day's best time in rainy Fuji

This article reflects the status at the time of its publication. The content may since have become outdated.

13/10/2017 Just in time for the appearance of the FIA World Endurance Championship (WEC), the summer said goodbye to the Japanese Alps. After a 15 degree Celsius drop in temperature over a few hours, the seventh of nine world championship rounds is set to be held in persistently wet conditions. The two Porsche 919 Hybrids were fastest in the morning practice session.
