Next Visions x House of Beautiful Business

Every second week, Christian Knörle (Porsche Digital) and Tim Leberecht (House of Beautiful Business) will introduce two masterminds of our time and their personal visions of the future. They'll deal with topics such as technology, leadership, career, autonomy and much more. The first season of the podcast was recorded during the House of Beautiful Business conference in Lisbon.

Episode 5:

About emotional intelligence of machines

Episode 4:

About the power of art and its influence on business

Episode 3:

Episode 2:

Episode 1:

Intro: What is it all about?

What does Porsche actually understand by Next Visions and why is there now a podcast about it? In this episode Christian and Tim introduce themselves and the concept in detail. They talk about Porsche, explain what the House of Beautiful Business is all about and what Ferdinand Porsche has got to do with it. They also reveal who exactly is behind the so-called "masterminds".
