Porsche Cars Australia announces new pricing for 718 models

Porsche Cars Australia has announced new pricing and additional standard specifications for 718 mid-engined sports cars.

The new pricing is now available for the 718 Cayman, 718 Cayman S, 718 Boxster and 718 Boxster S models.

Australian 718 models, excluding the 718 Cayman GT4 and 718 Spyder, will now be additionally equipped with Lane Change Assist and Porsche Entry & Drive as standard.

2020 prices for the 718 Cayman GTS 4.0, 718 Cayman GT4, 718 Boxster GTS 4.0 and 718 Spyder models were announced when these six-cylinder models arrived in Australia earlier this year. The price adjustments on these models are solely due to the Luxury Car Tax (LCT) threshold being adjusted as of 1 July 2020 (LCT now applicable above \$68,740 – previously \$67,525).

See the Porsche Cars Australia price list for the latest Manufacturer Recommended Retail Prices for all models.
