

9:11 Magazine: Porsche.CH

02/11/2020 The new issue of the 9:11 Magazine goes three rounds in Switzerland. Round 1: Formula E driver Simona De Silvestro in the Taycan. Round 2: watches from Porsche Design with the styling of a 911.

Round 1: De Silvestro at the start

Cockpit change for Simona De Silvestro: in Formula E, she drives the 99X Electric as a test driver – for 9:11 Magazine she gets behind the wheel of the Taycan. While driving in the mountains and in her hometown of Zurich, she reports on the power of the first all-electric sports car from Porsche – and how much fun it is to drive.

Round 2: 911 on the wrist

Swiss watchmaker's work of art: the high-quality chronographs of Porsche Design are created in Solothurn. The special feature is a customer configurator that makes each watch unique: a reflection of

each 911's individuality.
