Digital presentation of the 911 Carrera GTS

In just under one week's time, Porsche will present the 911 GTS at the LA Auto Show. Do you want to see it in action before? No problem.

More power, more dynamic performance: the new 911 Carrera GTS models. On November 19, celebrate the world première together with the Cayenne GTS and the Panamera Exclusive Series in Los Angeles. Selected journalists may experience the new 911 live in advance - at the moment at a press driving presentation in Pasadena, California.

Digital press conference for the 911 Carrera GTS

But you too can enjoy a preview. The roughly seven minute video clip shows not only the design but explains the technical details of the model. Speakers include Porsche experts such as August Achleitner, Product Director of the 911 model series, or Elena Marciniak, Spokesperson for Sports Cars.

And what does the 911 GTS feel like on the road? Find out from the media in a couple of days.

Consumption data

911 Carrera GTS: Combined fuel consumption: 10.0 - 8.7 l/100 km; CO2 emissions 235 - 202 g/km

Cayenne GTS: Combined fuel consumption: 10.0 - 9.8 l/100 km; CO2 emissions 234 - 228 g/km

Panamera Turbo S Executive: Combined fuel consumption: 10.5 l/100 km; CO2 emissions 245 g/km
