Merry Christmas!

The editorial department of the Porsche Newsroom wishes you a Merry Christmas.

It was a year with numerous highlights for Porsche: many new models - including the icon 911 -, the GT double victory at Le Mans, the "family reunion" Rennsport Reunion at Laguna Seca and also Porsche's first all-electric model, the Taycan, casts its shadow ahead. But at Christmas it's also time to pause and breathe a sigh of relief. We wish you, dear readers, a blessed Christmas and a healthy, successful year 2019.
