9:11 Magazine

The sports car manufacturer presents fascinating information and entertainment from the world of Porsche at 911-magazin.porsche.com. The spectrum ranges from the introduction of new vehicles to the Porsche experience and milestones in the company's history. The web TV format complements the Porsche customer magazine "[Christophorus](#)" and is published in the same 5-times-a-year rhythm in both German and English. "9:11 Magazine" offers a particularly appealing service to online publications: You can incorporate entire episodes or individual articles. Additional footage and photos are also freely available for journalistic uses.
